

INCARCERATING A JUVENILE COSTS UP TO \$200,000 PER YEAR.

Why MentorUP?

The number of young people in New York State aged 13-18 with pending, prior, or possible conflicts with the law is high. The Department of Juvenile Justice currently manages nearly 6,000 youth at a per-person cost of \$200,000 a year. Yet 76 percent of these young people will be re-incarcerated. In contrast, Alternatives to Detention programs cost as little as \$15,000 per youth per year, with recidivism rates lowered to between 17–36 percent.

MentorUP was created to offer site-based mentoring with an academic and asset-building focus to build the confidence and social skills of these youth. MentorUP does this by pairing young people with well trained, highly motivated volunteers. The MentorUP program works to break the cycle of recidivism and help young mentees carve out a better future. Everyone has a stake in helping all young people succeed and take their place as engaged citizens and fully prepared members of a stronger, smarter workforce.

The Volunteer Experience

All CSS/RSVP Mentoring Initiatives are conducted in collaboration with partner organizations that already have mentoring programs in existence.

CSS/RSVP will:

- ❑ Provide mentorship training that equips volunteers with the knowledge and skills needed to specialize in mentoring youth in need of intervention
- ❑ Train volunteers/mentors to provide one-on-one academic support
- ❑ Work in collaboration with partners to match a mentor with mentees
- ❑ Integrate the development of a mentee portfolio as an activity in the mentoring relationship

Mentoring can change a young person's life, and yours.

Volunteers in the MentorUP program will meet with mentees on-site at one of our designated locations for a minimum of two hours weekly. The minimum monthly commitment is six hours per month, and the length of the mentoring commitment will be for one year.

Requirements for MentorUP Volunteers:

- ❑ Must go through and pass a criminal background check
- ❑ Enjoy working with children
- ❑ Be non-judgmental
- ❑ Have a sense of humor
- ❑ Have a high school diploma/GED or higher

Training:

- ❑ Volunteers must attend and complete an 18 hour CSS/RSVP mentoring training that addresses the role of a mentor, with a component that's specific to working with adolescents involved with the juvenile justice system. Volunteers will also receive training on asset building and portfolio design.
